

THE LEBANESE ASSOCIATION OF THE KNIGHTS OF MALTA (LAKM) / ORDER OF MALTA LEBANON, IS LOOKING TO IMPLEMENT A NEW ERP PLATFORM

The Order of Malta Lebanon has been operating in the health and social welfare sectors since 1957. It manages a network of 30 projects serving the most vulnerable populations, across the Lebanese territory including primary healthcare centers, mobile medical units, elderly day care centers, hosting centers for the differently-abled and projects for the displaced and refugees.

The Order of Malta Lebanon, with the support of its partner **Malteser International (MI)**, has developed a comprehensive multi-annual program to strengthen its social and health services as well as its structures.

In this framework, the Lebanese Association of the Knights of Malta / Order of Malta Lebanon is releasing a call for Expression of Interest (EOI) to shortlist qualified and competent companies to implement a modern Enterprise Resource Planning (ERP) platform

ERP VENDORS

Objective/Purpose of the assignment

LAKM intends to hire the services of an Enterprise Resource Planning (ERP) from a prospective provider with the required degree of experience, references in the region, resourcefulness and capability for supply, installation, configuration, testing, validation, end user training and on-going maintenance & upgrades of the proposed platform and its components, support required to maintain contractual obligation for service levels offered to LAKM.
