

## THE LEBANESE ASSOCIATION OF THE KNIGHTS OF MALTA (LAKM) IS LOOKING FOR AUTOMOTIVE DEALERS

LAKM has been operating in the health and social welfare sectors since 1957. It manages a network of 30 projects serving the most vulnerable populations, across the Lebanese territory including primary healthcare centers, mobile medical units, elderly day care centers, hosting centers for the differently-abled and projects for the displaced and refugees.

LAKM, with the support of its partner Malteser International (MI), has recently developed a comprehensive multi-annual program to strengthen its social, health services and agriculture programs.
